

Eco^z Degreaser

Eco^z Products

**Powerful
grease
dissolver lifts
& eliminates
grease from
any hard
surface.**

INGREDIENTS

Natural Enzymes: (Protease,
Lipase, Cellulase and Amylase)

Eco^z Degreaser cuts through and dissolves layers of stubborn grease and oil so grime cannot be redeposited in the cleaning process. Eco^z Degreaser's concentrated enzyme and surfactant combination breaks down grease into smaller constituents and cuts exposed fat and oils so they can't re-form on surfaces or in a waste stream. Can be used anywhere from commercial kitchens to industrial facilities to parts degreasing applications.

- Keeps grease from re-forming
- Leaves no chemical residue
- Removes grease build-up
- Biodegradable formula
- Safe for employees to use
- Contains no phosphates, abrasives, solvents or harsh chemicals
- Used in wide variety of industries

Directions for Use

Appliances & Equipment

4–6 ounces per gallon of water. Allow up to 5 minutes contact time. Clean as usual.

Floors & Hard Surfaces

2–4 ounces per gallon of water. Allow up to 5 minutes contact time. Clean as usual.

Parts Cleaner & Degreaser

6–8 ounces per gallon of water. Allow up to 5 minutes contact time. Clean as usual.

For Optimum Results

- Mix with warm water to improve cleaning
- Increase contact time to enhance product performance
- Apply multiple times for old or heavy buildup
- Use a scrub brush to achieve a deeper clean
- Rinse with clean, hot water as needed

Personal Protection

For external use only. Avoid getting into eyes. May cause eye irritation. If there is accidental eye contact, flush eye thoroughly with cool water. In case of accidental ingestion, seek professional medical

assistance. Wash thoroughly with soap and water after handling. Seek medical attention if irritation occurs.

This product is not a disinfectant.

CAUTION Keep this and all other cleaners out of the reach of children.

May cause eye irritation. Avoid contact with skin, eyes or clothing. Wash thoroughly with soap and water after handling. Seek Medical attention if irritation occurs.

ENVIRONMENTAL HAZARDS: None

STORAGE AND DISPOSAL

Store this product out of direct sunlight in a cool, dry area. For best results, use within 12 months.
