

# Eco<sup>z</sup> Floors

Eco<sup>z</sup>Products

**Powerful & skid-free, our floor cleaner provides the solution to today's floor care needs.**

## INGREDIENTS

Natural Enzymes: (Protease, Lipase, Cellulase and Amylase)

Eco<sup>z</sup> Floors is designed for economical, effective everyday use on ceramic, vinyl, hardwood, concrete or any water-safe surface.

Eco<sup>z</sup> Floors breaks down surface grease and grime on contact. Cleaning continues at the molecular level long after the initial application, enabling floors to be kept cleaner longer.

Removing embedded soil from floor surface pores, grout and cracks, Eco<sup>z</sup> Floors controls the source of obnoxious odors and reduces workplace floor slippage.

- Continuous cleaning action at work
- Leaves no residue for high gloss
- Naturally eliminates odors
- No special equipment required
- Designed for daily industrial use
- Safe for all water-safe surfaces

**This product is not a disinfectant.**
