

Naturally Clear Water

EcoZProducts Naturally Clear is the clear solution to cloudy water

EcoZProducts Naturally Clear is designed to cleanse your water by removing organic material and suspended solids to naturally inhibit turbidity.

EcoZProducts Naturally Clear promotes effective biological remediation in three key ways. EcoZProducts Naturally Clear contains a broad-based lake and pond enzyme blend which rejuvenates existing bacteria; a select blend of safe surfactants that quickly emulsify organics; and a fortified nutrient package to shore up any weak areas in your pond.

Let nature balance itself by using EcoZProducts Naturally Clear to improve and restore water quality back to it's natural state.

- Biodegradable formula
- Fast acting
- Stimulates lake and pond biota
- Improves lake and pond immune system
- Safe for plants, pets and humans
- Reduces or eliminates chemical treatments

Treatment Guidelines

Application Rate

(1 acre foot = a surface acre 1' deep or 326,000 gallons)

Initial: 1/2 – 1 gallon per acre foot (1.5 – 3.0 ppm)

Weekly: 1/8 – 1/2 gallon per acre foot (0.4 – 1.5 ppm)

Dilute product with enough water to uniformly treat water surface area

For Optimum Results

- Dilute and use as directed
- May be mixed with other pond products upon application
- Always disperse product evenly over water surface or ensure a thorough mix throughout the water body
- For problem areas, power spray diluted product onto water surface; get product in contact with contaminate by creating a lot of agitation
- Apply when ambient temperature is 50°–90° F; dissolved oxygen level is over 1.0 ppm; pH is 6 – 8; alkalinity is less than 100 ppm
- To minimize settling, mix product thoroughly before applying
- Treat daily with 1/7th of weekly dose using an automatic feed system
- Use with other EcoZProducts lake and pond products for a full treatment program
- Perform sediment maintenance using one of EcoZProducts Sludge Treatment products at least 2 – 4 times per year
- Proper aeration will enhance product performance
