

Our versatile sludge reducer

EcoZProducts Sludge Reducer eliminates bottom sludge

All new value-added bacteria pellets, EcoZProducts Sludge Reducer was designed for lagoons, lakes and ponds as a low-maintenance solution for sludge bed and suspended solids removal, water clarity and beach clean-up.

EcoZProducts Sludge Reducer pellets are fortified with specialized bacterial strains that are high volume waste consumers of muck and organic matter. These pellets have a broad trace mineral base and an organic catalyst to increase the productivity of the beneficial bacteria in each pellet. The pellet itself was specially designed to drive the active ingredients down to the sludge so the dose isn't consumed by the water column.

EcoZProducts Sludge Reducer pellets combination of natural technologies is a simple cost-effective method for continuous sludge management.

- Biodegradable pellet
- Contains sludge-eating bacteria, enzymes and trace minerals
- Improves water clarity
- Naturally eliminates odor-causing muck on beaches
- Reduces sludge bed without the use of heavy equipment

Treatment Guidelines

Application Rate

Spot Treatment for around a pier, beach or problem area:
Use 8# per week for 4 weeks; then 2# every other week as needed;
at this rate 50# will treat up to 4,000 sq ft for a five month season.

Total Coverage for water body treatment:
125# per surface acre (3.0# per 1000 sq ft)
Broadcast pellets uniformly over surface; Use 2 – 4 times per year.

For Optimum Results

- Use as directed
- Apply when ambient temperature is 50°–90° F; dissolved oxygen level is over 1.0 ppm; pH is 6 – 8; alkalinity is less than 100 ppm
- Use with other EcoZProducts lake and pond products for a full treatment program
- Proper aeration will enhance product performance

Technical Specs

In use pH Range.....Neutral
Solubility in WaterPartially soluble
OdorCharacteristic
AppearanceLight tan pellets

Packaging, Handling and Storage

Size	Dimensions (LxWxH)	Weight
10# Pail	12" x 12" x 12"	12 lbs
25# Pail	13" x 13" x 16"	28 lbs
50# Bag in Box	18" x 18" x 7"	53 lbs
40 Bags / Skid	48" x 48" x 24"	2000 lbs

Store this product out of direct sunlight in a cool dry area. For best results, use within 12 months. Request an EcoZProducts Sludge Reducer MSDS for more specific information.
